

Burn S

Burn stop dressing

These sterile gel- impregnated first aid emergency burn dressings can be used for all burns. They are used by ambulance services, hospital emergency departments, medical clinics and workplaces and supplied in first aid kits as a first-response treatment for burns.

Specific features

- The sterile dressing helps to protect the wound from contaminations, keeping it moist and clean.
- Cools the burn and reduce pain
- Absorbs and dissipates the heat
- Non-adherent to allow painless removal
- Non-toxic
- Always ready for use
- Shelf life 5 years from manufacturing date
