

## Burn S

### Burn stop dressing

Sterile impregnated dressings to be used for treatment of burns in emergency situations. They can be used in ambulance, emergency services, clinics and the emergency kits in working places for first treatment of burns.

#### Specific features

- The sterile dressing helps to protect the wound from contaminations, keeping it moist and clean.
- Cools the burn and reduce pain
- Absorbs and dissipates the heat
- Non-adherent to allow painless removal
- Non-toxic
- Always ready for use
- Shelf life 5 years from manufacturing date
