

TANKER

Oxygen tank carrier for stretcher side bar

Oxygen tank carrier with shoulder strap designed for mounting on the side bar of Spencer stretchers.

Specific features

- Robust polyethylene body easy to clean
- Adjustable shoulder strap for an easy transport
- The device can be anchored to the side of the stretcher using the dedicated support sold separately
- The holes on the body allow the view and adjustment of oxygen tank controls (manometer, valve, flowmeter)
- Designed to contain a 2liters oxygen tank with reducing valve

Optional accessories

CB09028C- TANKER SUPPORT FOR SAFEBAR
